

Starting or growing a successful business is a daunting and complex process. This course gives students the tools they need to turn their ideas into reality. Topics include planning day-to-day operations, developing a strategic marketing plan, writing the business plan, human resource and management issues, and finding financing for your business.

Course includes class time, materials and at least 4 hours of one-on-one confidential business counseling assistance.

Registration: Pre-registration is required for all classes to ensure enough seating and materials. Your deposit will guarantee your space. Please contact the YWCA Anchorage 644-9611 prior to the class to register, to verify the time and location of your class, and to advise of any special class materials or accommodation that you may need.

Funded in part through a cooperative agreement with the U.S. Small Business Administration

Cancellation: The YWCA reserves the right to reschedule or cancel any classes due to insufficient enrollment or unforeseen circumstances. Refunds are given when a class is cancelled. Credit adjustments for the next session may be given on a case by case basis if illness or accident prevents continuation in a class. Otherwise, there are no refunds or adjustments except when the YWCA cancels a class.
